

NEUTRAL MAGIC CLEAR FOAM

Technical Data Sheet

pH
8

Highly concentrated, neutral foam, safe for all surfaces of the car.

Product was designed for providing safe and effective cleaning of the cars strengthened by waxes and ceramic-quartz coatings. Product may be applied through foam lance, sprayer and foam generator.

Unique formula of the product removes street dirt and simultaneously doesn't harm expensive and delicate elements of the car body. Leaves a pleasant aroma during washing.

APPLICATION:

- passenger cars

COMPOSITION:

- 5-15% anionic surfactants
- < 5% non-ionic surfactants
- aroma composition
- auxiliary substances are not classified as dangerous

USAGE:

Depending on the level of the contamination, spread the product with the sprinkler or foam lance. Working solution 1-5% (100-500 ml / 10 l of water).

In case of manual cleaning, spread the solution with the help of a sponge.

Before using it, you need to wash down the car from sand particles which may scratch the surface. After cleaning, wash down the car with highly pressured, demineralized water.
