

## DC 355 PLUS

CYCLONE DUST COLLECTOR

Article	Code
DC 355 PLUS	8674732

Voltage	Three-phase
Motor power (watt)	2200
Weight (Kg)	70
Packaging (mm)	600X850X600
Pressure	196 mm H2O
Nozzle diameter for suction pipe	100x3
Dimensions (mm)	1150X700X1950

### Technical features

- Powerful, reliable and silent induction motors with thermal safety protection
- Ideal for pairing with joinery machines
- Filtering capacity 35 micron
- Steel suction fan
- Stands with wheels for easy transport
- Supplied in assembly kit

### Standard equipment

- Base with pivoting wheels.
- Flexible pipe 2 m long.
- Nylon bag for wood shavings.
- $\varnothing$  Pressed felt (Filtering capacity 5 micron) dust filter bag
